

SERIES LINE GYM

DESIGN STORY

THE FREEWAY, committed to providing healthy & happy lifestyle for global fitness enthusiasts and sporters. Consumer demand-oriented, constantly improving, keep innovating fitness experience and product design.

As a fitness equipment and excellent quality practitioner, one of the leaders, **THE FREEWAY** team together with Italian senior fitness equipment designer create a brand new line with BIOMECHANIC engineering and professional strength machine. named line gym series.

MR. TERMINE GIUSEPPE, Italian senior fitness equipment designer, former World Bodybuilding Championship Weightlifting Champion, Professional Gymnasium Management Qualification Holder, used to participate in R&D and product functional testing for Italian top fitness equipment brand, with nearly 40 years of design experience, has unique perception and profound understanding to the strength machines. Rich design experience and unique concept are most vividly demonstrated in the line gym series, truly BIOMECHANIC design is the charm of line gym series.
